

Specialist STEM & Tech Recruitment

From Graduate to Experienced Hire

RedTech

RedTech Recruitment is a specialist STEM recruitment consultancy based in Cambridge, UK.

Founded in 2019 by experienced local recruiters, we focus on placing high-calibre graduates, post-docs, and experienced professionals across technology and scientific sectors.

We support some of the most exciting start-ups, scale-ups, and global companies across the UK and USA, providing exceptional talent in:

- **Software & Data**
- **Engineering (Electronic, RF, Embedded)**
- **AI & Machine Learning**
- **Scientific R&D**
- **Physics & Maths**
- **Graduate & Academic Talent**

Our Mission

Our priority is ensuring that your experience with RedTech exceeds all expectations. We thrive on giving amazing service and fast-turnaround.

Our Unique Delivery Model

RedTech Recruitment adopts a unique recruitment delivery model ensuring all of our Consultants are focussed on tasks mostly aligned to their abilities. This allows us to deliver the best talent with efficiency and fast-turnaround while ensuring quality.

Account Management

RedTech Account Managers work closely with clients to fully understand vacancy requirements, oversee the recruitment process & vet all candidates before submission

Resource Team

We have a dedicated team of Recruiters who do initial qualifications with applicants, and spend their time focussed on headhunting & searching for the top talent across all major platforms

BD / Sales

We employ sales specialists to concentrate on growing our client base, so you can rest assured your vacancies are always the main focus for our Recruiters

Equity, Diversity & Inclusion

With our Co-Founder Rebecca's strong background in Equity, Diversity & Inclusion, RedTech proactively supports the companies we work with in attracting talent from diverse backgrounds. We understand that building inclusive technology starts with having a variety of voices and perspectives at the table; without diversity, true innovation is limited.

“ Their match-making
and communication
is unbeatable ”

“ RedTech is on an
entirely different plane.
Night and day! ”

“ They understand many of the
different roles in our business
and they work wonderfully
with our speed of growth! ”

“ A really wonderful
recruitment agency -
responsive, attentive and
supportive throughout. ”

“ I have yet to come across
a recruitment agency as
diligent and caring
as RedTech Recruitment. ”

“ RedTech has now found me
more candidates and
employees than anyone
else ”

“ Thanks for bringing forward
such strong candidates in
such a short amount of time.
You understood our
requirements perfectly ”
